To resolve any of the above, just call **1-866-396-3403** and follow the automated prompts.

How to Reach Microsoft® Customer Service™ (USA) - Step-by-Step

Here's how to use **1-866-396-3403** to get connected to the right department:

Step 1: Dial 1-866-396-3403

Use any phone in the U.S. to call Microsoft® Customer Service™. This number works 7 days a week for most issues.

Step 2: Navigate the Menu

You'll hear an automated menu offering several options. Choose the category that best matches your problem:

- Press 1 for Microsoft account or login help
- Press 2 for Office or Microsoft 365
- Press 3 for Xbox and gaming
- Press 4 for billing and subscriptions
- Press 5 for device or hardware issues
- Press 0 or say “Agent” to talk to a live person

Step 3: Speak to a Support Representative

After making a selection, you’ll be connected to a trained agent. For best results, have the following information ready:

- Your Microsoft® account email address
- Order or product ID (if applicable)
- Device serial number (for Surface, Xbox, etc.)

Don’t forget: if the issue is urgent or complex, calling **1-866-396-3403** is much faster than waiting on chat or email support.
